Festival is a week long tournament held during the first week of July in Reno. All teams will participate in an opening ceremony. Pool play will take place over a period of 5 days. We will be playing teams from all across the USA and from around the world. This is not only an enriching experience, but it's also a great place to be seen by college scouts. The cost will be between \$800-\$900 , which will include entry, food, & lodging. First payments will be due by Feb. 1st.
